

WELCOME to 2nd GRADE

2022 Summer Work for Rising 2nd Graders

WEEKLY JOURNAL

Your child will need to complete five personal narratives. A personal narrative is about an activity your child did over the summer. Each entry must be five sentences. A drawing or picture is optional, but encouraged.

SUMMER READING

Rising second graders need to read throughout the summer. Three graphic organizer book reports must be completed, two fiction and one non-fiction. The books are a book of choice for each organizer. Three graphic organizers are attached.

MATH PRACTICE

Students need to know their addition and subtraction math facts to 10. Students should also practice skip counting by 2, 3, and 5.

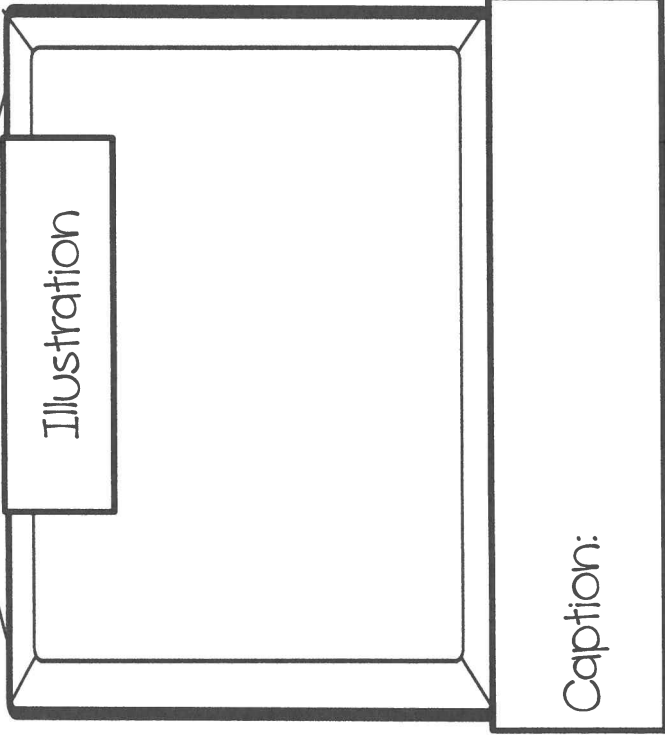

I can read informational texts.
