If you would like to order official Cross clothing (required for K-8th) you may obtain a Land's End Catalog from the front office. You can also go directly to www.landsend.com and use preferred code #900046632 to obtain the dress code. Preschool students follow the kindergarten- 4th grade dress code. We also have a "School Store" with gently used official Cross clothing for a deeply discounted price.

Cross Schools strictly enforces uniform policy; if you have any questions about an item please feel free to contact the front office at 843-706-2000.
