Cross Schools is continuing its partnership with FACTS Tuition Management for all tuition and incidental charges. FACTS allows you full control over your banking and payment options, and you may edit these options and your personal information at any time. Upon re-enrollment, your account will automatically be enrolled in the same payment plan you were enrolled in for the past school year. If you need assistance with your FACTS account, please reach out to our Tuition & Admissions Associate, Robyn Beckwith at r.beckwith@CrossSchools.org.
