

HIGH SCHOOL DRESS CODE: 2021-2022

Students are expected to follow the uniform dress code policy at all times during regular school hours and as designated for special events. Administration may elect to observe “special” days where uniforms are not required. Unless notified of a “special” non-uniform day, students should be dressed appropriately. In our attempt to establish a unified community, all students are required to adhere to these policies. If noncompliance occurs, please see the **Uniform Infraction** section of the dress code.

All uniforms are to be ordered through Lands’ End via the school catalog or online at www.landsend.com/uniforms. When ordering from Lands’ End, PLEASE provide our preferred school number and logo number. *(These can be located on the mailing label of your current catalog and in the next paragraph.)* As a “preferred school”, Lands’ End will rebate 5% of total sales to Cross Schools. **(NEW UPDATE)** The only non-Land’s End uniform substitutions permitted are khaki or navy chino pants or shorts for boys and girls, which can be purchased through your family store of choice *(no cargos; shorts should not be shorter than a standard credit card length above the knee)*.

Lands’ End will accept orders throughout the school year; therefore, it is not necessary to order all clothing items for the entire year at once. However, items are often placed on back-order which will delay your order. Do not wait until the first days of cool weather to order sweaters, jackets and long sleeve shirts. Accessories are not required to be ordered through Lands’ End.

Boys’ hair must be above the earlobes on the sides, above the collar in the back, and above the eyebrows in the front. Hair dye, colored hair extensions or face paint are not permitted.
